## **DETAILED ACTION**

### ***Allowable***

1. **Claims 1-43** are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding **claims 1, 16, 25 and 35**, the prior art of record fails to disclose or specifically a speech recognition unit for identifying a destination party and a destination address type from respective speech inputs provided by a calling party for retrieval the destination party address from a directory database.

It is not obvious to add these two pieces of information needed to query the directory database to retrieve a corresponding destination party address.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
